

Images arrive every 0.4 minutes.
 2164 medical images
 There are 714 that were not completed in time
 Simulation complete at 599.2149846815623 minutes

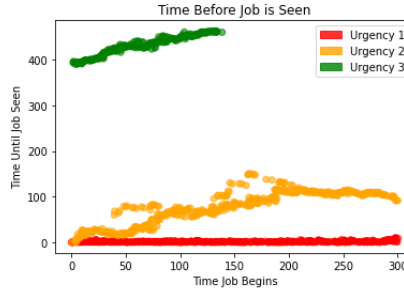

Radiologists were busy 0.999 of the time.
 Time Before Job is Seen

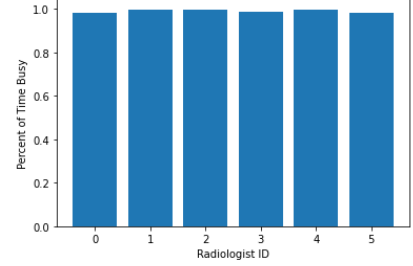

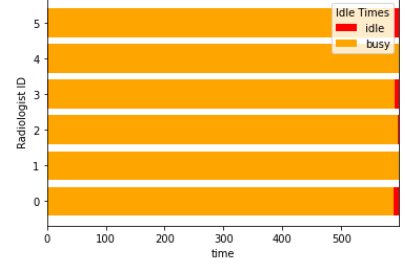

Images arrive every 0.6000000000000001 minutes.
 1470 medical images
 There are 268 that were not completed in time
 Simulation complete at 599.8040021847238 minutes

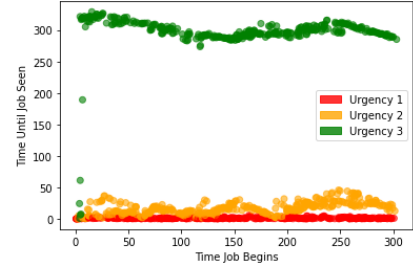

Radiologists were busy 0.999 of the time.
 Time Before Job is Seen

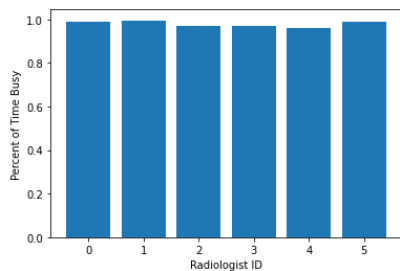

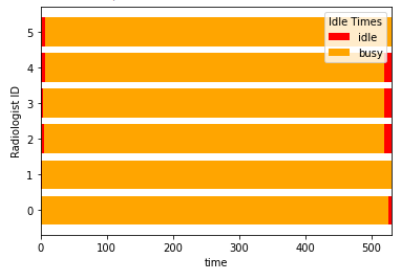

Images arrive every 0.8000000000000002 minutes.
 1121 medical images
 There are 0 that were not completed in time
 Simulation complete at 598.3725924391325 minutes

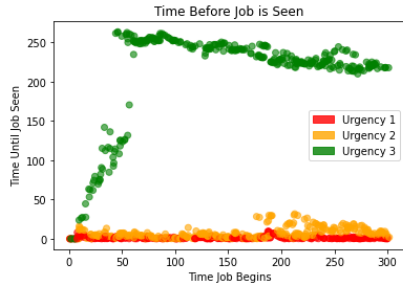

Radiologists were busy 0.989 of the time.
 Time Before Job is Seen

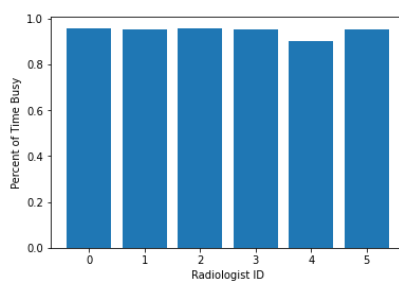

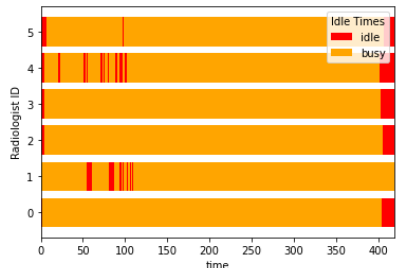

Images arrive every 1.0000000000000002 minutes.
 909 medical images
 There are 0 that were not completed in time
 Simulation complete at 531.5196362511978 minutes

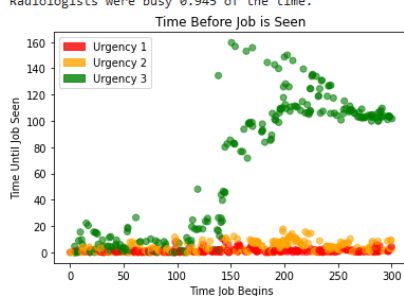

Radiologists were busy 0.98 of the time.
 Time Before Job is Seen

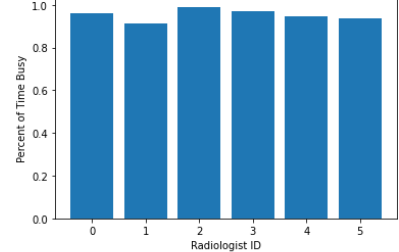

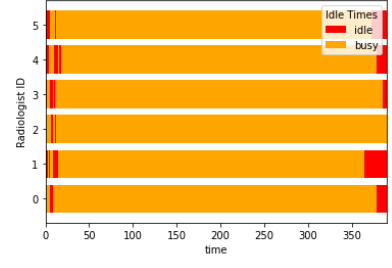

Images arrive every 1.2000000000000002 minutes.
 702 medical images
 There are 0 that were not completed in time
 Simulation complete at 419.7184517784922 minutes

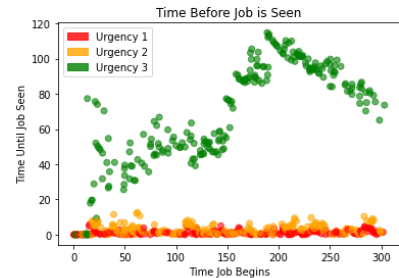

Radiologists were busy 0.945 of the time.
 Time Before Job is Seen

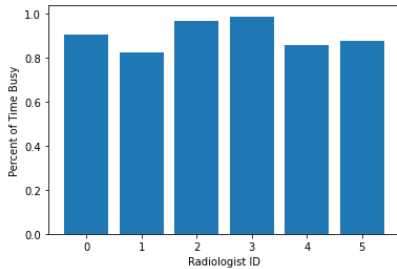

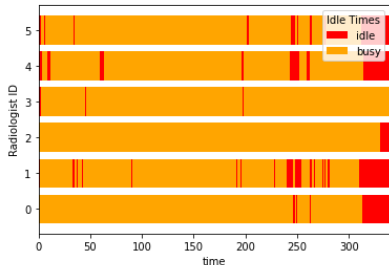

Images arrive every 1.4000000000000004 minutes.
 647 medical images
 There are 0 that were not completed in time
 Simulation complete at 390.53769621092374 minutes

Radiologists were busy 0.951 of the time.
 Time Before Job is Seen

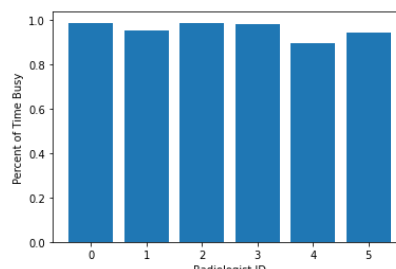

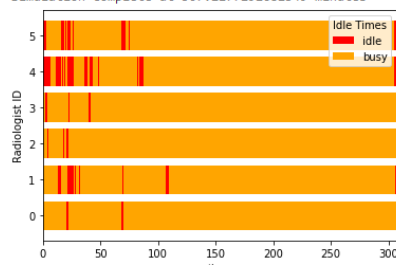

Images arrive every 1.6000000000000005 minutes.
594 medical images
There are 0 that were not completed in time
Simulation complete at 339.6442332084102 minutes

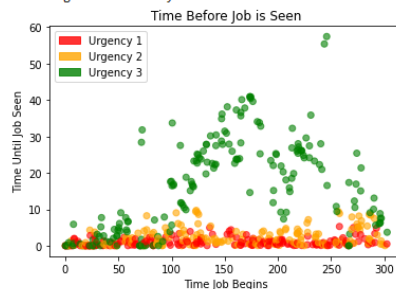

Radiologists were busy 0.904 of the time.

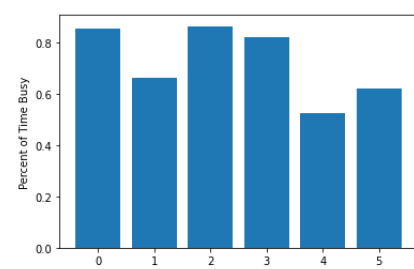

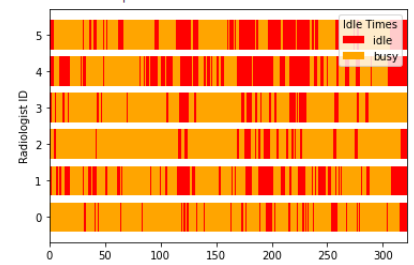

Images arrive every 1.8000000000000003 minutes.
535 medical images
There are 0 that were not completed in time
Simulation complete at 307.2177292682349 minutes

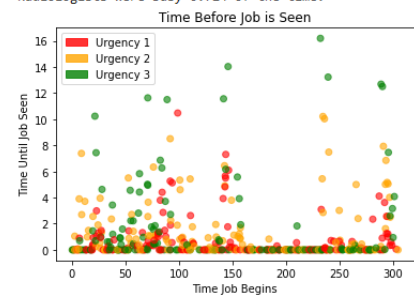

Radiologists were busy 0.957 of the time.

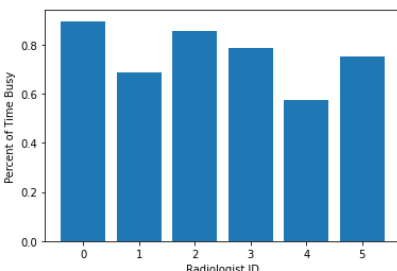

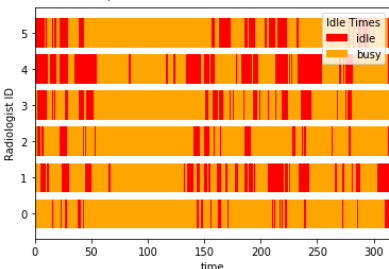

Images arrive every 2.0000000000000004 minutes.
459 medical images
There are 0 that were not completed in time
Simulation complete at 322.0295257363233 minutes

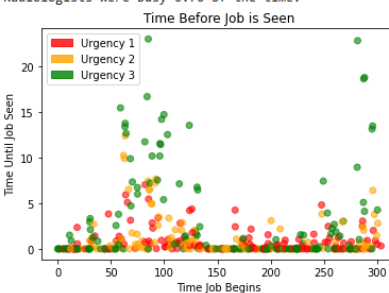

Radiologists were busy 0.724 of the time.

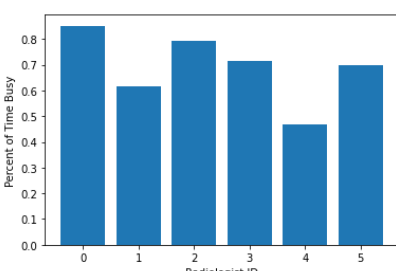

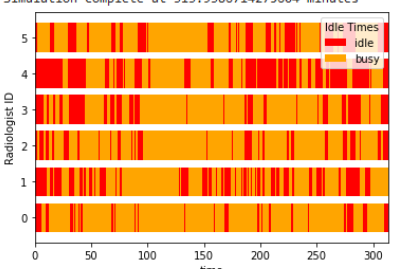

Images arrive every 2.2000000000000006 minutes.
414 medical images
There are 0 that were not completed in time
Simulation complete at 314.79017618360666 minutes

Radiologists were busy 0.76 of the time.

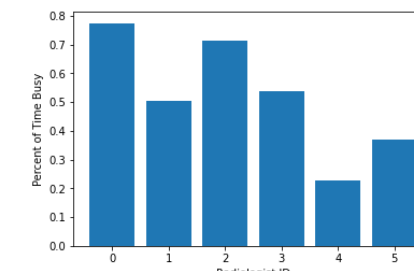

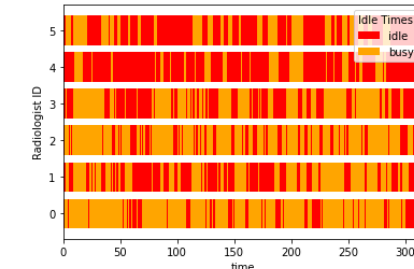

Images arrive every 2.4000000000000001 minutes.
407 medical images
There are 0 that were not completed in time
Simulation complete at 313.9386714275604 minutes

Radiologists were busy 0.691 of the time.

Images arrive every 2.6000000000000005 minutes.
326 medical images
There are 0 that were not completed in time
Simulation complete at 315.33850066764455 minutes

Radiologists were busy 0.521 of the time.
